Mandatory Quality Counts Certification

Quality Counts Verification is now active and ready to be used! Moving forward into the 2014-2015 Season, Quality Counts Verification part of the process for entry in all major shows. This means youth exhibitors will need to do demonstrate their knowledge of the Six Pillars of Character and the Eight Core Concepts presented in the Quality Counts Curriculum. **To do this, they will need to pass an online test on the website**

(<http://qualitycounts.tamu.edu/>) and acquire a Quality Counts Verification number.

If you are a new show family make sure you get this done.

The Quality Counts website: (<http://qualitycounts.tamu.edu/>) will serve as your portal to the online test,

Verification Records, and educational resources related to

Quality Counts.
