#### D. Contingent Liabilities

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures that may be disallowed by the grantor cannot be determined at this time, although the government expects such amounts, if any, to be immaterial.

The government is a defendant in the following lawsuit:

Hans D. Rohrbaugh v. Uvalde County – failure to provide protection and failure to provide medical attention to Plaintiff's Decedent during her incarceration at Uvalde County Jail. The county estimates there is an 80% chance of a favorable outcome.

<u>Hobbs v. Uvalde County</u> – Plaintiff was arrested and charged with public intoxication, disturbing the peace, resisting arrest, and disorderly conduct. The plaintiff asserts he was not intoxicated but has a medical condition that makes him appear intoxicated. He suffered damages as a result of being arrested when he fell and fractured his hip. The case has been filed and written discovery is in process.

This matter has been turned over to Uvalde County's Risk Insurance Carrier for legal representation. It is unknown at this time what the likelihood is of a favorable outcome.

#### F. Retirement Plan

#### Plan Description

The County provides retirement, disability, and death benefits for all of its full-time employees through a nontraditional defined benefit pension plan in the statewide Texas County and District Retirement System (TCDRS). The Board of Trustees of TCDRS is responsible for the administration of the statewide agent multiple-employer public employee retirement system consisting of 618 nontraditional defined benefit pension plans. TCDRS in the aggregate issues a comprehensive annual financial report (CAFR) on a calendar year basis. The CAFR is available upon written request from the TCDRS Board of Trustees at P.O. Box 2034, Austin, Texas 78768-2034.

The plan provisions are adopted by the governing body of the employer, within the options available in the Texas state statutes governing TCDRS (TCDRS Act). Members can retire at ages 60 and above with 8 or more years of service, with 30 years of service regardless of age, or when the sum of their age and years of service equals 75 or more. Members are vested after 8 years of service but must leave their accumulated contributions in the plan to receive any employer-financed benefit. Members who withdraw their personal contributions in a lump sum are not entitled to any amounts contributed by their employer.

Benefit amounts are determined by the sum of the employee's contributions to the plan, with interest, and employer-financed monetary credits. The level of these monetary credits is adopted by the governing body of the employer within the actuarial constraints imposed by the TCDRS Act so that the resulting benefits can be expected to be adequately financed by the employer's commitment to contribute. At retirement, death, or disability, the benefit is calculated by converting the sum of the employee's accumulated contributions and the employer-financed monetary credits to a monthly annuity using annuity purchase rates prescribed by the TCDRS Act.

### **Funding Policy**

The employer has elected the annually determined contribution rate (ADCR) plan provisions of the TCDRS Act. The plan is funded by monthly contributions from both employee members and the employer based on the covered payroll of employee members. Under the TCDRS Act, the contribution rate of the employer is actuarially determined annually.

The governing body elected to pay a rate of 8.64% for the 2010 and 8.62% for the 2011 year that did not exceed the actuarially determined rate as allowed by the provisions of the TCDRS Act.

The contribution rate payable by the employee members for calendar years 2010 and 2011 is the rate of 7% as adopted by the governing body of the employer. The employee contribution rate and the employer contribution rate may be changed by the governing body of the employer within the options available in the TCDRS Act
